PPRC NEWS BRIEF 07/01/14

The Political Parties Registration Commission (PPRC) in collaboration with the United Nations Integrated Peace Building Office in Sierra Leone (UNIPSIL), will on Thursday 9th January 2014 hold a one-day consultation meeting for executive members of the ten registered political parties in Freetown.

The one-day inter-party consultation which will be held at the British Council Hall in Freetown, will allow political parties' executive members, including the youth and women wings, to update themselves on the constitutional review process and emerging issues, and subsequently share information within their respective parties.

After the executive level meeting in Freetown, a one-and-half day dialogue and inter-party consultation meeting will be held in Bo; bringing together party members countrywide.

At the forum in Bo, parties will jointly deliberate on some of the emerging issues on the Constitutional Review Process.

The process will be guided by a seasoned lawyer and UNIPSIL's Legal Advisor.

It is expected that these interactions and joint deliberations will reduce continuing tensions between parties.
