The Chairman of the Sierra Leone Configuration of Peacebuilding Commission and Permanent Representative of Canada to the United Nations, Ambassador Guilaime Rishchynski on Wednesday 26th February 2014 says Sierra Leone is moving from peace consolidation to development.

Speaking to Representatives of political parties at the office of the Political Parties Registration Commission (PPRC), Ambassador Rishchynski says his meeting with political parties is to get first-hand information on the state of things in Sierra Leone ahead of the end of UNIPSIL's operations in Sierra Leone.

He assured the political parties of the United Nations continued support to Sierra Leone even when UNIPSIL is gone.
