PPRC News Brief 23rd July 2020

In a bid to support the fight against COVID 19, the Political Parties Registration Commission (PPRC) on Wednesday 22nd July 2020 received ten thousand (10,000) facial masks from the United Nations Development Programme (UNDP).

Handing over the facial masks on behalf of the UNDP Team Lead, Governance Cluster, Kadie Jumu-Peters says the donation comes after a request from the Commission to support political parties in the fight against the spread of the virus and to promote the mask-up campaign in the country.

Receiving the donation, the Chairman of the PPRC Abdullai Masiyambay Bangurah thanked the UNDP for its continued support to the work of the Commission and the country.

He assured the UNDP team that the facial masks will be distributed to the political parties who in turn will give to its members and supporters.
